

Job Description

We are looking for amazing Early Childhood Educators who regard their profession as rewarding, knowing they are impacting the lives of young children and are keen to help the child to become an independent life-long learner. You are excited to join a team of passionate educators who love what they do. You will have experience working with a diverse population, have excellent interpersonal skills, initiative, creativity and are flexible. You take pride in building strong relationships with the children in your care and their families. You are a warm, caring, and responsive educator, able to easily supervise children between the ages of eighteen months to six years. You have a clear understanding of child development and appreciate the importance of helping children to develop their social and emotional skills. You are consistent with children and work well in a team environment. You can communicate effectively, both verbally and in writing.

Why should you work for us?

- We value and support professional growth and development for all our employees.
- We have a Scholarship Program for our full-time employees.
- We focus our efforts on a child centred environment.
- We have an amazing support network for all our staff.
- We believe in a work life balance.
- At Academics you will be respected as a Teacher and an Educator
